JAYNEX SPORTSWEAR

Boxing Gloves

Boxing Gloves
JS-1001

The new phenomenon in training gloves with exclusive design and incorporation. A trio of precision placed inner foams: Sponge Comfort Foam, High Density Impact Absorbing Foam and Latex Low Density Protection Foam creates the most comfortable, awe-inspiring, protective and powerful training gloves in the market.

Boxing Gloves
JS-1002

This glove provides maximum comfort and support. Dense, multiple layer foam packing protects your hands during sparring and heavy bag use. Conformed to the natural shape of the fist to provide an ergonomic and comfortable fit. Velcro wrist strap offers a secure and comfortable fit. Full padding on the front and back of the wrist to promote proper punching technique. Available in Red, Blue and now Black.

Boxing Gloves
JS-1003

New full mesh palm ensures breathable comfort with an anti-microbial and moisture absorbing lining to retain freshness and fight bacterial growth. Glove features a dual-collar support panel for superior wrist protection and comfort as well as closed cell foam technology for hand safety. Premium synthetic leather along with excellent glove construction provides long lasting durability and functionality.

Boxing Gloves
JS-1004

100% genuine cowhide leather. Full leather, extra wide wrap-around Hook & Loop strap. Unsurpassed fit, protection and longevity. Pre-curved injected molded foam padding system. Specifically designed for safety. Exclusive padded palm. Underside thumb and palm ventilation holes to accelerate dry time. Classic engraved logo detailing. Protective attached thumb. Moisture wicking.

Boxing Gloves
JS-1005

A trio of Fighting Foams - sponge, high and low density - for maximum performance, security and power. Almost 360 degree full cuff zipper. Vertically channeled cuff for superior wrist security with a double-ply leather wrap-around leather wrist strap with hook-and-loop closure for a secure and snug fit.

Boxing Gloves
JS-1006

Skawa original with maximum protection during intense sparring. Super contoured hand compartment & pre-curved thumb. Extended wrist padding for increased protection against punches and kicks. Triple-layer latex foam core for the heavy impact absorption. Made with top grain leather.

JAYNEX SPORTSWEAR

Boxing Gloves

Boxing Gloves
JS-1007

These gloves feature an innovative Quick Tie Tech Lace System that allows the gloves to be tightened with a simple pull of the laces. A supportive, segmented cuff acts as a second handwrap as it adds stability to the wrist, while a flexible upper wrist hinge allows just the right amount of flexibility. Made of 100%, full grain premium leather.

Boxing Gloves
JS-1008

Bringing back the fight glove with the perfect balance of power, protection and performance. Contoured closed-cell foam technology provides extra cushioning and support while guiding your hand into a natural fist position. This proven design has been used by many boxers, both amateur and professional. Ergonomic form with high density foam inhibits moisture transfer which keeps gloves lighter and drier.

Boxing Gloves
JS-1009

100% Softech Leather
Attached thumb for safety
Wide Ultra-Lock hook and loop closure wrist strap
Five layers of impact absorbing RAM-Force technology padding
Worn in feel at first wear

Boxing Gloves
JS-1010

Durable synthetic leather Specially sized to fit children
Attached thumb for safety
Size: 6 oz. One size fits most.

Boxing Gloves
JS-1011

Wide fingertip profile Unique padding configuration
Wrap around Ultra-Lock hook and loop wristband for greater comfort & support
Extra-thick pre-curved high impact foam over knuckles
Made of leather
Sizes: 10 oz, 12 oz, 14 oz and 16 oz.

Boxing Gloves
JS-1012

Gloves feature attached safety thumb, white knuckle hitting surface, national amateur competition approved hook-and-loop wrist attachment with roll down elastic protective sleeve for quick on and off, and no more lacing hassles. Full grain leather

Boxing Gloves

Boxing Gloves
JS-1013

The new phenomenon in training gloves with exclusive Tri-Tech design and incorporation. A trio of precision placed inner foams Sponge Comfort Foam, High Density Impact Absorbing Foam and Latex Low Density Protection Foam creates the most comfortable, awe-inspiring, protective and powerful training gloves in the world.

Boxing Gloves
JS-1014

The undisputed champion of boxing gloves is now infused with exclusive Gel Enforced Lining and multi-layered foam padding for the ultimate in style, performance, protection and power. Gel lining delivers an unbeatable layer of custom form fit and impact resistance. All-leather outer punching cover with special hand compartment lining for cool, dry and comfortable workouts. Full wraparound adjustable wrist strap with D-ring and hook-and-loop closure for secure fit.

Boxing Gloves
JS-1015

Thai training gloves feature the classic shorter cuff that improves flexibility desired for the intense sport. Includes multiple layers of impact suppressing foam, convenient hook & loop wrist closures and genuine leather construction.

Boxing Gloves
JS-1016

Gloves break away from the traditional foam padding and utilize the latest shock dispersing gel technologies. By adding the Gel Shock padding system to our Safety Sparring Gloves we provided you with a safe, shock-absorbing training tool that will allow you to get the most out of your sparring. It is made of durable leather with a suede thumb that is perfect for wiping off sweat. A supportive, segmented cuff acts as a second handwrap as it adds stability to the wrist, while a flexible upper wrist hinge allows just the right amount of flexibility.

Boxing Gloves
JS-1017

A stunning combination of genuine full-grain cowhide leather and reverse dimple Dura-Tek insets for incredible high-tech training gloves that deliver the Platinum Advantage for every skill level. Unbelievable assembly of thick molded foams to create the most comfortable, stylish, protective and powerful training gloves on the market. The inter-locking D-ring cross counter wrist wrap with seatbelt nylon strap and hook-and-loop closure keeps gloves firm and snug on hands and wrists.

Boxing Gloves
JS-1018

The new phenomenon in training gloves with exclusive design and incorporation. A trio of precision placed inner foams Sponge Comfort Foam, High Density Impact Absorbing Foam and Latex Low Density Protection Foam creates the most comfortable, awe-inspiring

Punching Bags

Punching Bag
JS-1201

Incredible compilation of a high frequency welded EPE polyethylene impact resistant inner disc foam, wrapped by a 1" shock-absorbing sponge open-cell outside foam liner that is ready for battle. Tough dura-weave rip-stop nylon cover is crafted for intense, physical training anywhere...gyms, schools, dojos, training centers, institutions, home use and more.

Punching Bag
JS-1202

Ideal shape for throwing knees, elbows and punches from the clinch. Web straps are attached with genuine leather tabs with specialized, reinforced stitching. Lace closure top and reinforced nylon straps add strength during continued heavy training. Extra thick vinyl provides durability and stable striking surface.

Punching Bag
JS-1203

Designed specifically for stand up clinching, kneeling, punching and kicking drills with the unique tear drop shape to simulate an opponent. Hand crafted in Pakistan of premium cowhide leather with an added heavy-duty water-resistant and non-tear nylon lining with nylon web straps for professional gym quality. This bag has become extremely popular. Professionally packed to retain shape through professional use.

Punching Bag
LI-1204

The tear drop shape is perfect for all strikes, punches, kicks and attacks. The triple reinforced synthetic leather is ready for a full assault. Awesome black and silver alternating panels.

Punching Bag
JS-1205

The ultimate 2-in-1 training bag for every gym! Combines the versatility of a professional grappling dummy with the addition of a life-like body target heavy bag to take your training to the next level. Nylon hanging straps tuck securely into individual D-ring pockets on top of bag with the aid of hook-and-loop attachments. Hang bag from the ceiling with the chain and swivel included and work out on the most realistic heavy bag available. Throw jabs, straight shots, angle punches, hooks, uppercuts, kicks, knee strikes and more to every area of the bag.

Punching Bag
JS-1206

The perfect heavy bag for the athlete that demands versatility and professional results. An ideal anatomical design allows fighters to perfect every offensive weapon in their arsenal. Unleash a myriad of punches, strikes, elbows, knees and kicks to all areas and angles of the bag with amazing reality. Get all the durability and longevity of leather at a fraction of the cost. Tough synthetic leather 3-ply shell delivers extended wear for professional training.
